PROFIT WARNING

This announcement is made by BGMC International Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on its preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 28 February 2026 (the “**Reporting Period**”) and information currently available to the management, the Group is expected to record an unaudited net loss attributable to shareholders of the Company of approximately RM24.4 million, as compared to net loss attributable to shareholders of the Company of RM7.0 million in the six months ended 28 February 2025 (the “**Corresponding Period**”).

The increase in net loss for the Reporting Period was mainly attributable to, among others, (i) the additional liquidated ascertained damages charges incurred for the projects; (ii) reduced gross margins from a major Building and Structures project due to additional rectification costs incurred and cost overrun; (iii) a reduction in other income, primarily attributable to lower interest income recognised during the Reporting Period arising from reduced placement of funds with financial institutions as compared to the Corresponding Period; and (iv) no profit was recorded from discontinued operations in the Reporting Period, as compared to a profit of RM0.5 million recorded in the Corresponding Period.

Shareholders and potential investors should note that the information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available to the Board and it has not been audited by the auditor of the Company, nor has been reviewed or confirmed by the audit committee of the Company. As at the date of this announcement, the Company is still in the process of finalising its consolidated interim results for the Reporting Period, which is expected to be published on 27 April 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
